CERTIFICATE OF INTERNSHIP

To Whom It May Concern,

This is to certify that **Ms. Himani Sharma** has successfully completed her internship with **Technology Next** as a **Data Analyst Intern** (Intern ID: TN-152) for the period from **April 10th, 2025 to June 10th, 2025**.

During her internship tenure, Himani demonstrated exceptional analytical and technical abilities, contributing meaningfully to various live projects and internal initiatives. She showed a commendable grasp of data processing, reporting, and full-stack implementation strategies under real-time project constraints.

Key contributions during her internship include:

- **Technical Proficiency:** Himani displayed a strong command over data analysis tools and techniques, aiding the development of scalable and efficient solutions.
- **Problem Solving:** She proactively addressed technical challenges and proposed logical optimizations that improved overall workflow and system efficiency.
- **Agile Teamwork:** Himani actively participated in Agile-based team discussions, contributing suggestions that enhanced sprint planning and team coordination.
- **Client Understanding:** She showcased a good ability to comprehend client requirements and translate them into technical features aligned with project goals.

Her proactive attitude, willingness to learn, and professional conduct made her a valuable part of the team during her tenure with us. We appreciate her contributions and wish her the very best in her future academic and professional pursuits.
